Detail of the Men:

Apparently 17 files x 2 ranks + senior NCO center front of 1st squad = 35 enlisted
All enlisted have sabers drawn and are wearing a mix of caps and dark hats, mix
of jackets and sack coats

Two junior officers (not sure why they're not mounted) + one field grade officer
+ one junior officer = 4 officers present

Random enlisted to right of formation:

7 men, one with fine looking boots

Saddle racks with saddles, tack, etc.

Horses look to be in decent shape, except for apparent sores on withers of horse second from left

Random guy grazing bareback -
