## **Private Purchase Drawers**

Made of canton cotton flannel, cotton osnaburg, or lightweight cotton drill, 100% hand sewn. Similar to Federal Issue drawers, but with the addition of 2 buttons on the fly. In addition, these have the cotton tape/tie enclosed along the entire ankle hem, so it closes like a drawstring on a poke sack, gathering the material around the whole ankle. Standard inseam 30", unless specifying another length. Waist has adjustment 1" both ways. All seams are flat felled. Standard waists are 28" to 52". Price is \$85, shipping included.

### **U.S. Sanitary Commission Drawers, 1861** **pattern**

Made of cotton osnaburg, 100% hand sewn. Cotton tape/tie is enclosed in waistband and functions as a drawstring around the waist. In addition, these have the cotton tape/tie enclosed along the entire ankle hem, so it closes like a drawstring on a poke sack, gathering the material around the whole ankle. 3 bone buttons on the fly. Standard inseam 30", unless specifying another length. Waist has adjustment 2" both ways. All seams are flat felled. Standard waists are 28" to 52". Price is \$75, shipping included.
