We will have an eclectic mix of vendors providing quality 19th and 20th century items. Feel free to stop in and take a look at our quality wares. Conveniently located along the parade route.

Several of the vendors carry period items for sale. These range from CDV's and buttons to original 19th & 20th century garments. You never know what some of our vendors may bring to sell.

Our clothing vendors will be glad to speak with you about how they can make a custom garment for you, take your measurements, and quote you a price for your project. We have our own outside entrance, just look for the signs and come on in.
